If your dog is senior, you must provide us with a letter from your vet stating your pet has no serious health concerns and is well enough to stay in a boarding environment. Please notify your vet of the duration of your pet's stay. Long stays aren't suitable for senior pets. Some senior pets find it difficult to get adequate rest in boarding kennels, as boarding facilities are very busy places. This can compromise their well-being. All dogs must be fully vaccinated including kennel cough, to stay at Doonane. To avoid refusal, please bring vaccination records on the day you are dropping off your pet. No dog will be admitted that shows symptoms of illness and has not got up to date vaccinations. A fully vaccinated dog can still contract kennel cough on rare occasions, this cannot be avoided. Please be aware upon collection of your pet, they will be tired due to increased activity and this can take up to a week to recover.
